Make a difference - Volunteer

As another year begins thoughts turn to what the year will hold. Maybe you have more time to spare or are considering returning to the workforce; perhaps you are new to the area and want to make new friends or you may just want to try something new.

Try volunteering it can open up a whole new world.

Volunteering Wingecarribee (or Volwing for short) is a one stop shop where you can find out what is available in the volunteer job market. "People often think of volunteering as only helping others", said Volwing Manager, Judi Rose "In fact the rewards to the volunteer are incredible". These rewards include learning new skills, getting that elusive work experience, achieving personal goals, getting out of the house, having fun and much, much more.

Volwing has volunteer opportunities with over 60 local community groups and can provide training. So if you would like to make a difference to your life as well as to someone else, why not think about volunteering.
